6. **Brochure :** [Brochure](#)
7. **No.of Participants:** 111 [Students list](#) [Certificate](#)
8. **Activity Details:**

The Computer Science Department successfully conducted a quiz competition on February 10, 2025, in view of Safer Internet Day-2025. The primary objective of this event was to raise awareness among students about cybersecurity, online safety, digital privacy, and responsible internet usage.

The quiz competition aimed to educate students on the significance of maintaining a secure digital presence, recognizing online threats, and promoting ethical internet usage. The event encouraged students to enhance their knowledge of digital security practices and responsible online behaviour.

The quiz competition was conducted in two rounds:

First Round: Conducted through Google Forms, featuring multiple-choice questions (MCQs). A total of 111 students participated in this round.

Second Round: The top 34 students from the first round were selected to compete in the second round, which was conducted through Blooket online , gamified learning program.

Out of the 34 students in the second round, the top three performers were selected and honoured with mementos for their outstanding performance.

Conclusion:

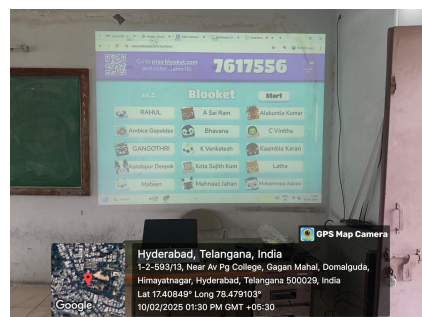

The event was a great success, achieving its goal of spreading awareness about cybersecurity and responsible internet use.
