

Week of 9/23/19

Christian Aguiar

Christian is a senior, but is only in his first year of cross country. For a beginner, he had a pretty solid summer of running, but that can't really prepare someone to actually go out and RACE when the temperatures are near 100 degrees. Christian ran JV for the first couple of races, but has now had 2 chances to represent the Huskies in a varsity competition. At TVL 2, Christian ran his first 5k, and broke 20:00 on his first try. He also broke his 2 mile best, which he had set at TVL opener just 3 weeks prior, en route to the 5k! Christian's hard work and dedication can serve as an inspiration to anyone who is just starting....Keep plugging and you'll get waaay better.
