Ribboned Belts, Dog Collars, Leashes, Totes

This is the same ribbon we use currently for belts, wine bags and tote bags, but plan to use it for additional items such as dog collars, leashes and key rings. Let us know what you think. Here is the catalog of items:

Keep in mind the catalog shows wholesale prices which don't include shipping costs and the small profit we add at the club to help keep our regalia program going.

CAPS

SHIRTS & JACKETS

Last year the light weight ¼ zip (especially the pink!) fleece were very popular because they can be worn as a sweatshirt/sweater instead of just a coat. However, we received feedback that some people would prefer heavier material that would be too heavy to wear indoors. What do you prefer? Should we order some lighter weight ones in different colors? We do still have a few of the red and navy ones in the cabinet!
