In order to process awards and distribute them on time on Tuesday, May 25th, we are asking teachers to prepare for a preliminary grade storage that will take place Monday, May 24th at 11:30am. Check out the schedule for textbook and material drop off above.	Distribution of medallions for 7th graders will take place during 6th period. 6th graders will get their medallions during 4th period. 8th graders will get their CJSF awards and medallions at the end of promotion ceremony practice on Wednesday, May 26th.	All students attend 1st period synchronously from home. Please use this time in 1st period to review and prepare for the Spirit Day activities on Thursday, May 27th. Students will not attend any other classes on this day. Teachers may assign students to return items or pickup projects to take home.	On campus students and virtual students will have different activities in some cases. Please see the schedule for more details.
<p>*Through the last day of school, students are to honor their group placement. "A/B" students should be at school and C students should remain at home. The only exception would be promotion ceremony practice for 8th graders on May 25th and May 26th. 8th grade "C" students must come to campus to participate in practice.</p> <p>*No food or beverages of any type for last week of school activities with students.</p>
