SL: LEARN AND MASTER: How to be productive!!!

The successful say it's lucky to have the ability to sit down and be productive, "it is only given to people born into stable and easy backgrounds".

LIES. Just pure lies.

Don't listen to them!

You don't need a stable, easy background.

You don't need to go to the best school.

You don't need to have the best equipment.

You 100% don't need to rely on a ridiculous IQ score.

There are no excuses to explain why you shouldn't be productive in your line of work.

We all start from somewhere!

If you're at ground 0,

We teach only determined individuals to skyrocket that 0 into 100!
