

Tesky's "It's THAT Time of Year" Steam Trade Deal!

Okay guys. Here's the deal. Autumn sale on Steam. I want games. Let's make this easier for me to handle. You buy me game(s) I am wanting and get art in return! :D

I have some options that are buying me one game for a simple even trade, and some "bundles" you can buy to save a little extra! Cause. It's like Steam. Get it? Yeah. You get it.

Keep in mind the autumn sale only runs to the 28th, so you have to hop on this deal quickly and communicate with me so we can add each other on steam for the gifting to happen in time.

Don't claim something if you can't do this in time. Thanks!

Please contact me ASAP to claim a trade offer via any of these platforms:

Telegram - @Teskine

Twitter - @TeskyArt

FurAffinity - Teskine

The message should contain your Steam username so I can add you, as well as which offer you'd like to claim. This will expedite the process so it's completed during the sale.

Completion time will vary depending on your order in queue and size of your reward. I will maintain a separate queue for trades on my Trello. I'm aiming for December completion for most of these. My Trello queue can be found here:

My ToS applies to these trades and can be found here:
