

Privacy Policy for AI Prompt Generator

Effective Date: 28/09/2025

App Name: AI Prompt Generator

Developer: Yantroga

1. Introduction

AI Prompt Generator (“the App”) is an Android application that helps users create high-quality AI prompts by interacting with an AI assistant powered by the **OpenAI API**. We value your privacy and are committed to protecting your personal information.

This Privacy Policy explains what information we collect, how it is used, and your rights regarding that information.

2. Information We Collect

The App is designed with privacy in mind.

- **User Input:** Any text you type into the App (messages, answers, or prompts) is sent securely to the **OpenAI API** to generate responses.
- **Clipboard Access:** If you choose to copy prompts, the App temporarily accesses your device clipboard to complete the copy action.
- **Storage Access:** If you save prompts to a file, the App creates and stores text files locally on your device.

👉 We **do not collect, store, or share** personal identifiers such as name, email, phone number, or location.

3. How We Use Information

- To generate AI responses and prompt variants using the **OpenAI API**.
- To allow you to copy, edit, and save prompts for personal use.
- To improve App functionality (basic usage analytics may be collected via Google Play, subject to Google's policies).

We do **not** sell or share your information with third parties.

4. Third-Party Services

- **OpenAI API:** All user input (text you type) is transmitted to OpenAI servers to generate responses. OpenAI may log data as part of their service. Please review [OpenAI's Privacy Policy](#) for more details.
 - **Google Play Services:** Our app relies on Google Play for distribution, crash reporting, and usage analytics, which follow [Google's Privacy Policy](#).
-

5. Data Retention

- User messages are **not stored** on our servers.
 - Any files you save remain **only on your device** until you delete them.
 - Clipboard content is **not stored** or transmitted.
-

6. Permissions Used

- **Internet:** Required to communicate with the OpenAI API.
- **Clipboard:** For copy-to-clipboard functionality.
- **Storage (optional):** To save prompts as text files.

We request only the minimum permissions needed for the App to function.

7. Children's Privacy

The App is not directed to children under 13. We do not knowingly collect data from children.

8. Your Rights

- You may delete all prompts, files, and data generated within the App at any time.
 - Since we do not store personal data, there is no account to delete.
-

9. Changes to This Policy

We may update this Privacy Policy to reflect changes in the App or legal requirements. Updates will be posted here with a new effective date.
