Today's meet for math is rescheduled for tomorrow. same times! Ms. Courtright is hoping her internet issue will be solved!

1. **FOR TODAY'S MEET with Mrs. Ranka:** Click on link: [DPS Student Portal](#)
2. Look at the second icon, it says ilearn classrooms, click on it (it turns orange when you do)
3. It will say log in with google, do it
4. Look on the left side of the page, it will say either Ranka or Courtright, click on whichever class you are meeting with
5. You will see big blue button in the middle of the next page, click on it and you will join the meeting. You will have to read and allow your microphone and camera to turn on, just READ and follow the directions.

First, I must

Then, I may

Math: Lesson 6 should be complete and have it out and ready when we meet today. Have materials ready for showing and practice together.
