WRITING GUIDELINES
SOCIAL ECONOMICS AND ECOLOGY INTERNATIONAL JOURNAL (SEEIJ)

1. Article written in English, **double spacing**, 3500-8000 words length. Author(s) must follow the journal template which can be downloaded at our Open Journal System (OJS) website : https://journal.binus.ac.id/index.php/SEEIJ/about/submissions

2. Article contains TITLE; AUTHOR NAME; AUTHOR AFFILIATION (department, faculty, university/institution), COMPLETE ADDRESS of the affiliation and Author's corresponding email; then ABSTRACT and KEYWORDS in 3 to 5 important word. Moreover, the article consists of INTRODUCTION, METHODS, RESULTS and DISCUSSION, CONCLUSION, REFERENCES, APPENDICES (if any).

3. Tables and figures in the article are numbered consecutively using Arabic numeral (1,2,3 and so on) and written with captions and source of the figure and table. The table captions are written above the table, while the figure captions below the figure. For tables, avoid using vertical lines. Figures and tables appear in good resolution and are not print screened and / or screenshot.

4. Citations and References are adapted from APA style. Guidelines to APA style used for in-text citations and references is available at https://apastyle.apa.org/. However, some adjustments are made to suit the need of SEEIJ. A quick guide as example is stated as follows. The samples below are taken randomly from various sources and for example purposes only. They are intended neither as ads and promos nor as the Editorial Board's viewpoint or preferences.

5. All citations must be written in References and the References must consist of all sources cited in the article. A minimum of 80% references must be primary sources (journal articles, proceedings, conferences, dissertations, thesis, or research reports). The references should be recently published in the last 10 years, except texts used as research data.

6. It suggested that authors use a computer application, for instance Mendeley or Zotero, to fit and uniform in-text citations and references. Those computer applications are available online and free downloaded from https://www.mendeley.com/ or https://www.zotero.org/ and then can be installed in a computer and Microsoft Word Toolbars. Or guides, videos, and tutorials, refer to https://www.mendeley.com/guides .

7. Article is based on research findings, case studies, or science development in the field of Sustainable Development Goals. Article is written in academic language style and has never been submitted for consideration or under reviewed or published in any other scientific journals and/or media.

8. Article must send their article to SEEIJ Open Journal System (OJS) from website https://journal.binus.ac.id/index.php/SEEIJ/about/submissions . If there are any problems with the article submission, please send the screenshot of the problem through email to seeij@binus.edu cc to email puti.anjarani@binus.edu.

9. Article which does not comply to the journal format will be returned to the author(s) for reformatting. Author(s) may revise and resend the article after the article is upgrade in the accepted format.

10. Plagiarism check will be conducted for each article and Author(s) can used Turnitin to check plagiarism from website https://www.turnitin.com/. After that, the article will be double blind peer-reviewed.

11. Author(s) whose article either needs to be revised or is rejected will get a written notification and review forms.

12. Author(s) whose article is published in **SEEIJ** will get a printed journal of the current number. Softcopy of the article will be sent via email to the corresponding author.

13. Content of the article is merely the Author(s)'s opinion. Responsibility for the information and views expressed in the article lie entirely with the author(s)

14. Article may be displayed in any other media for educational purposes.

Thank you for the interest in publishing your article in **SEEIJ (Social Economics and Ecology International Journal).**
