

The Africadian Empowerment Academy 2025 Annual General Meeting

February 26, 2025 -On Saturday, March 8, 2025, the Africadian Empowerment Academy will host its Annual General Meeting (AGM). This year's AGM aligns with International Women's Day (IWD) to celebrate and honor the achievements of women in skilled trades, with a particular focus on Black women.

This inspiring event will recognize the resilience, contributions, and successes of Black women in skilled trades. Through a dynamic panel discussion, attendees will gain valuable insights into the experiences, challenges, and opportunities that Black women navigate in this industry. The theme for this year's AGM, ***"Black Women in Skilled Trades: Celebrating Resilience and Achievement,"*** underscores their perseverance and impact in shaping the skilled trades sector.

The celebration will take place at the Theatre of the Nova Scotia Community College (NSCC) Akerley Campus, welcoming over 60 guests, including participants, stakeholders, partners, and community members. The event will run from 9:30 AM to 12:00 noon, beginning with registration and networking. Following this, a panel of accomplished women in skilled trades will share their journeys, insights, and expertise. The discussion aims to inspire, educate, and foster meaningful connections, encouraging greater representation and support for Black women in these fields.

Join us as we come together to celebrate, learn, and uplift the voices of Black women in skilled trades.
