WEATHER

All scheduled classes are listed on www.archerytrainingcenter.com/calendar.

Please always check www.archerytrainingcenter.com/calendar to see that your name is listed in the class and to see any changes to the class.

In dubious weather, check the same calendar to see if the class has been canceled. It will be noted as "CANCELED" on the date and time of the class.

We reserve the right to cancel classes at any temperature, in any weather or for any reason.

If you have paid for a class we have canceled, please re-register online for another class noting that your credit should be applied to that class or email Coach Racae, asking for a refund.

DRESS:

Please dress appropriately for the weather. Wear closed athletic shoes, tightly fitting clothes (so the clothes don't get in the way of the bowstring), and tie your hair back or pin it up so it doesn't get in the way of the bowstring (which sometimes can pull it out).
