

Tutorial: How to navigate inEvent

Upon confirming your registration, the magic link will take you to the **VIRTUAL LOBBY**:

The screenshot displays the 'Virtual Lobby' interface. On the left is a vertical navigation menu with icons for home, calendar, list, desktop, and other functions. The main content area is titled 'Virtual Lobby' and 'Welcome'. It features a large banner for 'Furniture Go International' with logos for 'HYGIA CONSULT', 'Levanski group', 'Bulgarian Cluster', 'CLUSTER of Czech Furniture Manufacturers', 'interior cluster sweden', 'HABITAT CLUSTER BARCELONA', and 'habio'. Below the banner is an 'Activities' section with a date filter set to 'Feb 22' and a search bar. A specific activity is shown: 'Kick Off Meeting Live' at 12:00, with the description 'Building Alliances, Opening Markets'. On the right side, there is a 'Networking' section with an 'Inbox' and 'News feed' button. A message states 'The networking lobby is empty. You will be notified when a new user joins the lobby.' Below this is a 'Group rooms' section with a search icon and a list of four groups: 'South Africa Working Group' (0 online), 'SUA Working Group' (0 online), 'Egypt Working Group' (0 online), and 'Canada Working Group' (0 online).

In **MY ACCOUNT**, you can edit your public information for networking:
