**My Hobby**

Hello! My name is Tom. I am ten years old, and I have a favorite hobby. My hobby is playing soccer. I love to play soccer because it is fun and it keeps me healthy.

I play soccer with my friends every afternoon after school. We go to the park near my house. We divide into two teams and play for about an hour. Sometimes, my dad comes to watch us play. He gives us tips on how to play better.

I have a soccer ball that my uncle gave me for my birthday. It is red and white. I always bring it to the park. My friends and I take turns being the goalkeeper. I like to play as a forward because I enjoy scoring goals.

On weekends, I watch soccer games on TV with my family. My favorite team is Manchester United. I wear my team's jersey when I watch their games. I dream of becoming a professional soccer player one day.

Playing soccer makes me happy. It is a great way to make friends and stay active. I will continue to play soccer as much as I can.
