

No Clean-up Pork Fried Rice

Ingredients

4 pouches of real bacon bits - 3 oz

4 packages of Spring Vegetable soup mix (like Knorr)

8 cups uncooked **instant brown** rice (get the "ready in 5 min" type like that found at Walmart, **NOT** the "ready in 10 min" Uncle Ben's)

8 cups of boiling water

30 tortillas

30 packets of soy sauce

1 - 2 gal size zipper lock bag

Directions

Bring water to boil. Mix bacon bits, soup mix and rice in zipper lock bag. Add the boiling water, incorporating well. Seal bag, wrap in pot cozy, towel or jacket and wait 10 min. Incorporate again, then serve the rice mixture on tortillas. Add soy sauce to taste.

There is no dishwashing clean up! Throw away or pack out your zipper lock bags for disposal.

The pot only had the boiling water in it and should already be clean. Toss it out the water, use it for other clean-up, or put in Nalgenes for hot water bottles.
