

Character bios for WeRwolPh!

Jacintha - Forced to leave her homeland due to hunters chasing after her kind, the Draconias, a current-day descendant of dragons, she and her father ended up befriending Xanther and his village, while helping them out.

Xanther - Given another chance for redemption, he is resurrected as a skeleton to repopulate the world again. But it won't be easy, not with shadows, ghost-like creatures, in their way...

Agartha - Descending from heaven being demoted from angel status and forced to clean up a wasteland, she is forced to cope with mortality, and her little secret of bloodlust...

Eve - Short for "Extraterrestrial Vegetation Evaluator", it is sent to defend other planets from threats and find life there, although she has found more than life in that wasteland...

Zya - Tzet's right hand man, she is loyal to Tzet and she can do anything Tzet tells her without fault, even saving him from peril.

Luzad - Trapped in a prison-like circus be killed for entertainment, he misses his glory days of being free to roam, resorting to drinking, and wants it back, at any cost.

Luma - Shadia and Luzad's bastard child, she is Luzad's only hope in repopulating their species, as she and Luzad are the only ones left...

Wyman - A thaumaturge, he ends up with Agartha and the gang after his spells screwed up. He is now trying to get back, while helping them using his magic.

Mandred - Sharia's sex partner in the den, he would do anything to keep her alive and carry on the fun.

Cedric - A master of Pokemon (tm), he unknowingly ends up in the wasteland, and befriends Agarthia and Tzet. He is a close friend, but prefers to play on his 3DS (tm).

Soaras - A Pokemon from Hoenn, he finds himself with Jacintha and Xanther, and tries to make himself useful within them.

Cypher - Another Pokemon, he is a half brother of Soaras and stick together with him.

Sharia - Stuck in the den, she unintentionally gets fast enemies and is now targeted for death.

Mia - A cute little fox, she wishes to be tamed and be adored by humans. However, she is unable to find anyone to take care of her.

Navritas and **Venole** are minor characters from the same RP as Shadia and Tzet.

Sintoras - Tzet's older brother, he is interested in Agarthia's powers and would like to take control of them. He kills her afterwards.

Lazarus - Once a friend of Sharia and Mandred, he has unwillingly turned against them, and now attacks them at will.

Lex - The leader of the gang of girls despised by Sharia, he is forced to the den for fear of being raped, and cross-dressed to avoid attention. He becomes a friend and sex partner of Sharia.

The King - He is the leader of a society, one that despises Umlondai and takes Mia in out of sympathy.

Tzet - Once a close friend of Agarthia, he is now threatened with death by her reincarnation Shadia, and has to stop her nefarious ways.

Shadia - The reincarnation of Agarthia, she has a strong desire to kill Tzet, and will not stop at any costs to do just that.

Morte - Like Luzad, he is forced to fight for entertainment in the city, however he works for the humans running the city, and has no qualms doing so.

Umlondai - A boy with dark magics, he can singlehandedly overpower the King, and Mia, his pet.

These are all the character bios, if there are any questions feel free to ask me and I will add them to here.
