Updates:

- SCHOLARSHIP COMMITTEE: Handed out notes from their meeting. Considering a 2 factor eligibility for the annual scholarship: 1. Parent, 2. Player. Committee recommendations were reviewed in the booster meeting as well as essay question. It was further discussed the # of scholarships to be awarded - with a possibility for a limit if 5 or more student athletes applied. A definitive # of scholarships distributed would be based on an essay rubric. Changes to the scholarship would begin with the 2025-2026 school year.
- Suggestion to bring back student athlete orientation in the fall as a way to get to communicate booster org, scholarships and need for team parents.

- Suggestion to change booster meetings to Mondays given athletic events. No decisions were made/voted on.
- Spring Sports - Meet the Coaches:
 - MHHS: 2/26/25 @ 5:30pm
 - KMS: 2/26/25 @ 5:00pm
