vanilla cake

Fluffy and light, this delicate vanilla cake will remind you of your wedding day. Made with premium ingredients like high-quality flour, real sugar, and real butter and NEVER any seed oils, food dyes, or artificial flavorings.

chocolate cake

Rich, fudgy, and so decadent you might mistake it for a brownie. This irresistible chocolate flavor is amped up with a splash of coffee* and good vibes. Made with premium, high-quality ingredients and nothing fake or processed. (Egg-free)

*Made with Swiss Water process decaf for the little ones and the caffeine sensitive

Whipped Ganache

Our whipped ganache adds a decadent twist, without the heaviness of traditional buttercream.

*Shelf-stable and made with zero food dyes or added seed oils and artificial flavors.**

**Some of the chocolate used in our recipes contains palm kernel oil and natural flavors. However, there are no added oils or artificial flavors in the ganache.*

Whipped Ganache

Whipped Ganache

*milk chocolate whipped
ganache*

Made with premium chocolate chips for that rich and creamy milk chocolate flavor that takes you back to your childhood.

*dark chocolate whipped
ganache*

Just as silky as its milk chocolate counterpart, but with a dark, moody twist. Pair it with a glass of top shelf red wine and you'll be living in luxury. Hello date night?

Whipped Ganache

*milk chocolate mocha
whipped ganache*

Coffee lovers, this one's for you. Made with organic, fair-trade coffee* and premium chocolate, this decadent mocha cream will take the cake (literally).

*dark chocolate mocha whipped
ganache*

Dark and brooding, this indulgent blend is enjoyed by only the most refined taste buds. Think chocolate covered espresso* bean, but make it ganache. Don't say we didn't warn you...

*Made with Swiss Water process decaf for the little ones and the caffeine sensitive

Cookies

*salted sourdough chocolate
chip cookies*

Stop, collaborate, and listen because these chocolate chip cookies are unlike any you've ever had before. Made with grass-fed Irish butter, enhanced with sourdough starter for a lightly fermented twist, and topped with premium flaky sea salt for a salty-sweet bite you just can't resist.

Bread

*long fermented sourdough
bread*

Flour, water, and salt. That's all it takes to make a beautiful loaf of crusty sourdough that's sure to wow your dinner guests. Made with real ingredients, zero preservatives, and long-fermented to break down gluten and ease digestion.*

*Disclaimer: Our bread is NOT gluten free or suitable for those with celiac disease or gluten intolerance. The fermentation process breaks down gluten in a way that makes it easier to digest, but does NOT remove the gluten from the bread.
