Hi, Dear Students!!

Espero sigan todos muy bien!!! Como ya saben nos estamos encontrando en la escuela cada 15 días. Y...de acuerdo al comunicado que les he enviado a través de la preceptora seguiré enviando los trabajos al blog para que todos puedan bajarlos y realizarlos.

Recuerden que deberán llevar los trabajos a clase "sin hacerlos" (impresos o copiados) y allí los explicaré y trabajaremos con los mismos todos juntos! No olviden de escribirme si tienen alguna duda a mi e-mail. Valoro mucho su esfuerzo... Y...a seguir trabajando en conjunto!!!

Take care! LOVE!

RULES AND REGULATIONS

READING

Read the text. Are the sentences true (T) or false (F)? Correct the false sentences.

"All pupils at school follow a code of conduct and school rules. Good manners are essential and so consideration for other people and the environment can make the school a pleasant place for everybody.

Pupils can't arrive after registration. Pupils can't run along the corridors and the stairs and they should only carry their bags by hand. They should stand up and be quiet when a teacher or a visitor enters the room. They can't smoke or bring smoking materials (matches, lighters...) into the school. They can't cycle in school grounds. They can listen to music on Mp3s or iPods only during their lunch break but not in the canteen. They can have their mobile phones with them, but they can't use them during their lessons. They can't use bad language. When a pupil isn't respectful or polite, the teachers may send out of pupil from the classroom for a short "cooling off" period. They can decide to speak with the pupil or give a staff detention: for example, the pupil stays in the classroom during lunch break or at the end of the school day. The school is a "Uniform School": pupils wear their uniforms with pride. They can't wear jewellery or make-up. Pupils are suspended from school in the case of truancy, smoking, vandalism and bullying. The school rewards good pupils with positive marks and certificates of merit."
