

Hi Berna, I decided to upgrade your captions so that the amount of traffic going into your link tree will be increased.

plazi 🎸 How to play Count On Me by Bruno Mars (plus a secret tip to use while playing) 📌

Let me know if you enjoyed this tutorial!

I love making these videos for you guys. They're such a joy to make and I get to sing my heart out as well.

Remember to keep practicing, Even the best ukulele players practiced a lot to be able to play their songs. You can do this!!!

If you want to see a specific tutorial or learn the 3 steps to always playing the ukulele like a pro, then check out the 🌴 in my bio.

(You could also check out the Ukuleles on my Etsy there)

After learning this one trick, you'll be able to:

- ✓ Save Time
- ✓ Make it Easier To Play
- ✓ Flow Better

All from just learning this easy trick that is in the video.

🎵 Chords you need: C Em Am G F

🦊 Strumming pattern: D DU USU

💡 If you're a beginner just do 4 strums DOWN instead of following my D DU UDU.
