Materials

A toy truck and car at Walmart - all together cost $10.

Procedure

1. Go to Walmart.
2. Buy the truck and car for a sick boy.
3. Go to the little boy's house and give him the truck and car.

Results

I bought the toy truck and car and went to his house to give it to him. He loved the toy truck and car.

Reflection

This project made me feel extraordinary because I helped someone who is sick. The boy was very happy and that made me feel excited. I hope that the toys I gave him helps him feel better and get well.
