

How to Pay in Installments for Your Annual DIY Donkey Hoof Trimming Membership

I don't offer a payment plan directly — but Buy Now Pay Later (BNPL) is available at checkout through **Google Pay** or **Apple Pay**. Here's exactly how to use it.

Start here: Go to skool.com/donkey and select the annual plan (\$800/year). You'll access BNPL options at the payment screen — not before.

Available Providers

Klarna

Pay in 4 or monthly installments — subject to eligibility

Affirm

No fees, as low as 0% APR — subject to eligibility

Zip

Available for this plan (purchase must be under \$1,200)

Which Path Are You On?

Option A

Google Pay

✓ No setup needed

Add BNPL directly at checkout. No advance setup required.

Option B

Apple Pay

⚠ Setup required first

You must add Klarna or Affirm to your Apple Wallet **before** checkout or you won't see the Pay Later option.

Option A — Google Pay (Easier)

1. At the payment screen, click **G Pay**
2. Sign into your Google account if prompted
3. Click the **"Pay later"** tab (next to "Pay now")
4. Select Klarna, Affirm, or Zip
5. Click **Continue** — you'll be redirected to that provider
6. Sign in or create an account, check eligibility (no credit score impact), pick your plan, and complete the purchase

Option B — Apple Pay (Setup First)

Step 1 Set Up in Apple Wallet — Do This Before Checkout

1. Open the **Wallet** app on your iPhone
2. Tap **+** in the top right corner
3. Select **"Pay Later Options"**
4. Choose Klarna or Affirm and follow the prompts to create or sign in to your account
5. Once approved, the card will appear in your Wallet — now you're ready

Step 2 Complete Checkout

1. At the Skool payment screen, select **Apple Pay**
2. Tap **"Change Payment Method"** or **"Other Cards & Pay Later Options"**
3. Select your BNPL card, then tap **"Pay Later"**
4. Choose your plan and authenticate with Face ID, Touch ID, or passcode
