

LARIMER COUNTY DEMOCRATS

PRECINCT ORGANIZERS (POs)

As a Precinct Organizer (PO), your role is vital in fostering community engagement and ensuring effective communication within your precinct. Below is a comprehensive list of your primary responsibilities:

Community Engagement and Leadership:

- **Community Networking:** Actively engage with neighbors to build a strong Democratic presence. Utilize voter information tools to identify and connect with fellow Democrats in your area.
- **Event Hosting and Collaboration:** Host or co-host staging locations during campaigns for material distribution and volunteer coordination. If hosting isn't feasible, collaborate with other POs to support shared locations and ensure your precinct is informed about upcoming activities.
- **Leadership and Coordination:** Embrace your role as an elected official at the grassroots level. Lead by example, working closely with organizers to strategize and implement county-wide initiatives. Facilitate clear and consistent communication within your precinct to keep residents informed and engaged.

Meeting Participation and Party Business:

- **Central Committee Meetings:** Attend County Central Committee meetings, held two to three times annually. If unable to attend, appoint a proxy to represent your precinct.
- **Caucus Promotion and Assistance:** Inform Democrats in your precinct about upcoming caucuses through social media, email, literature distribution, and phone calls. Assist in organizing and facilitating your precinct's caucus to ensure smooth proceedings.

Additional Involvement:

- **Engage with Elected Officials:** Attend town halls and free events hosted by elected officials to stay informed and represent your precinct's interests.
- **Participate in Party Events:** Attend free events hosted by the Democratic Party to build relationships and strengthen community ties.
- **Support Through Donations:** While financial contributions to the Larimer County Democrats or candidates are not required, they are appreciated and help support ongoing efforts.

By fulfilling these responsibilities, you will enhance the Democratic Party's presence and effectiveness within your community, leading through active participation and engagement.
