

### **Medina, Alex - Bio**

Alex Medina - Assistant Coach - PBFC Rush

Born and raised in Pensacola, Coach Alexjandro Medina brings a strong local connection and growing coaching passion to PBFC Rush. A loyal Arsenal supporter, Alexjandro began his coaching journey six years ago while still in high school, leading recreational teams and quickly discovering a deep passion for teaching the game.

Currently working toward his U.S. Soccer D License, Alexjandro values continuous growth and embodies the core value of *Willingness to Learn*. He joined PBFC Rush to challenge himself in a competitive environment and to help develop young players who bring energy and dedication to every training session.

As a player, Alexjandro started at age 8 and continues to play locally with Pensacola Bay United when time allows. He's also had the unique experience of attending two USL team tryouts—giving him first-hand knowledge of the demands at higher levels of play.

Coach Alexjandro is committed to helping players grow on and off the field while continuing to develop his own skills as a coach within the PBFC Rush community.
