A Like I said, I was just so focused on getting the gun out of me. When I did get it up to this point, he is still holding onto it and I pulled the trigger and nothing happens, it just clicked. I pull it again, it just clicked again. At this point I'm like why isn't this working, this guy is going to kill me if he gets ahold of this gun. I pulled it a third time, it goes off. When it went off, it shot through my door panel and my window was down and glass flew out of my door panel. I think that kind of startled him and me at the same time. When I see the glass come up, it comes, a chunk about that big comes across my right hand and then I notice I have blood on the back of my hand. After seeing the blood on my hand, I looked at him and he was, this is my car door, he was here and he kind of stepped back and went like this. And then after he did that, he looked Gore Perry Repo_ingand

You're in the car and someone, you're struggling, tugging back and forth, did you ever think that he had a gun right then and there, he could have used it at any time? A I wasn't thinking about that at that time. I was thinking about defending myself whenever he was hitting me in the car. Ms. ALIZADEH So kind of going go on that as well. So the co mm ent that you made to your supervisor Sergeant when he got there at the scene was that he went for my gun, I had to shoot him. I think that kind of goes along with that. Because I think when I hear someone say he went for my gun, if I literally take that co mm ent, I would assume that someone literally went to your holster and tried to pull it out. Either unholstering it or literally taking it from you. And in this instance that was not the case. You had already unholstered and you were aiming at him. He essentially in his, your point of view and the point of view of who we can no longer obtain that, he deflected or pushed it towards you, but he did not at any point try to pull it from your holster is, I guess, my question? 1 something that we have not asked you that you want ';;,;':;
2 us to know or you think it is important for the _;:;__
3 jurors to consider regarding this incident? _;:;__
4 A One thing you guys haven't asked that has _;:;__
5 been asked of me in other interviews is, was he a _;:;__
6 threat, was Michael Brown a threat when he was _;:;__
7 running away. People asked why would you chase him _;:;__
8 if he was running away now. ';;,;':;
9 I had already called for assistance. ';;,;':;
10 If someone arrives and sees him running, another ';;,;':;
11 officer and goes around the back half of the _;:;__
12 apartment complexes and tries to stop him, what _;:;__
13 would stop him from doing what he just did to me to ;:;:;
14 him or worse, knowing he has already done it to one _;:;__
15 cop. And that was, he still posed a threat, not _;:;__
16 only to me, to anybody else that confronted him. ';;,;':;
17 MS. WHIRLEY: Any questions? ';;,;':;
18 : . Along those ';;,;':;
19 lines, you feel like as a police officer it is your ';;,;':;
20 obligation to follow that suspect? _;:;__
21 A Yes, sir. _;:;__
22 MS. ALIZADEH: All right. If that's it ;:;:;
23 then. ;:;:;
