

Braes High School

Personalisation and Choice moving on to S3 in 2026/2027

Pupil Name:

Form Class:

In S3 all pupils will continue to study the compulsory subjects listed below and will choose five further courses to study alongside these throughout S3 and S4.

Compulsory Subject	Number of Periods in S3
English	4 periods
Mathematics	5 periods
PSE (Personal and Social Education)	1 period
PE (Physical Education)	2 periods

Pupils will have free choice when selecting their five preferred courses. Pupils should rank their chosen courses in order of preference from **1 to 7**, with **1** being the most preferred choice.

While every effort will be made to allocate pupils their first five choices, this may not always be possible. If this happens, pupils will be offered one of their remaining two preferences, and this will be communicated accordingly.

This form must be completed and returned to the appropriate Pastoral Head by **6 March 2026**.
