Instructions:

1. Fold the Basic Gray card base on the score line to make the card.
2. Adhere the Petal Pink layer and then the DSP layer to the card front.
3. With the Memento ink, stamp the flowers onto the scrap of Basic White cardstock. Color the leaves with the Lost Lagoon Blends and the flowers with Flirty Flamingo and Calypso Coral. Cut out the image with the Stampin' Cut & Emboss Machine and the corresponding die.
4. Cut the Calypso Coral and then the Basic White cardstock pieces with the Gallery Blooms frame die.
5. Emboss the Basic White center from the frame with the Damask Designs Embossing Folder.
6. Stamp the sentiment onto the smaller piece of Basic White cardstock using Basic Gray ink.
7. Add the Calypso Coral frame to the card front with Dimensionals and then adhere the embossed Basic White center. Put aside the other cut frames and center for another project.
8. Adhere the sentiment and then the stamped image with Dimensionals.
9. To finish the card, add a trio of Pressed Flower Motifs with the Take Your Pick tool.
