THANK YOU PIMA COUNTY!!!! 🍀🍀🍀

As of this morning, Monday 7/11/22, PACC has no available dogs in non-public kennels!!!

This weekend we adopted 63 dogs and a total of 124 left the building!

We still have 478 dogs in-shelter, but we are moving in the right direction. That being said, we aren't out of the woods. We are still seeing a large number of dogs coming in from the holiday and need to continue getting AT LEAST as many dogs out as are coming in.

HERE'S HOW TO HELP:

- ★ Share social media posts of available pets, lost or found pets, or pets needing to be rehomed. Help us create a true community network or people helping pets!
- ★ If you find a healthy, friendly stray dog, please hold onto it and look for the owners. The dog is much more likely to be reunited with it's family, opposed to if it comes to the shelter.
- ★ Foster a large breed dog for 2 weeks! Not only does this open up space, but it also gives us new information about how the dog does in a home so we can better match them!
- ★ Adopt a large breed dog from PACC! Adoption fees are still waived on all adult dogs. A \$20 license fee will apply.
- ★ Reclaim your dog! If you have lost your dog over the last week please look online at both our available pets and stray pets. We hold dogs with no identification for only 3 days before they are available for adoption. Reclaim fees are waived in most cases!
