Pokémon Mystery Dungeon Gates to Infinity Dunsparce Lyrics 2

Dunsparce: I see the light around me glow brighter, Lifting me up into the sky above
Forcing me to leave all my dear friends, And I know that they won't remember me when
I am gone...

Dunsparce: After all of the adventures we've been through, You won't remember them
at all, Nothing I can do will stop it, This is the fate I've come to accept... Good-bye...

Dunsparce: Whapped in this light Sorrow takes hold of me, It shakes me down to my
very core, Knowing that none of you will remember me, My sadness comes from
knowing what you guys will be missing...

Dunsparce: All of the times we spent within this world, All of the memories that we
have made, All of the times that we had to be strong...

Dunsparce: I have those memories buried deep within... My heart...

Dunsparce: I see the light around me glow brighter, Linking me up into the sky above...

Dunsparce: Forcing me to leave all my dear friends, And I know I'll carry all of their
memories with me...

Pokemon Mystery Dungeon: Gates to Infinity The Frism with Dunsparce Lyrics

Dunsparce: Is this thing on? Can you hear me? Am I coming through?

Dunsparce: I hope it's nice... up in the clouds... How's that for a view?

Dunsparce: I wanted you to... To have something.. I made just for you...

Dunsparce: Please listen close... And cherish this... My friend, I'll miss you...

Dunsparce: I've gathered all our friends from Paradise... To come and say goodbye...

Dunsparce: Hydreigon told us when the morning comes that we won't remember you... We hope that isn't true...

Dunsparce: Cause we'll defy fate... And wake up to a brighter day... We'll always think of you, you were so true... It's ok you can't stay...

Dunsparce: So, please don't forget... Make sure to smile everyday... Thank you from all of us, you're on your way... Promise you'll stay strong and you'll keep on pushing on...

Dunsparce: We'll protect the world we live in now, Living each day spreading love and hope all around...

Dunsparce: Everything you've taught us, we will not forget... Leave this world in peace leaving no regrets...

Dunsparce: My ball of light... That shines so bright... Shines brightly in the sky...

Dunsparce: They thought they could... Just run away... Without saying good-bye...

Dunsparce: Perhaps you thought... That no one knew... But we knew everything...

Dunsparce: So we stood there... Watching you go... Trying not to cry...

Dunsparce: I knew that soon one day, you'd have to leave... Our promise broke apart... I'm sorry that you didn't know that we would know it would go this way... Thank you for everything...

Dunsparce: You helped me to grow... You changed my life in many ways... And even though you came from far away... You always pushed on through...

Dunsparce: You showed me the light, And gave the world the sense of hope, You were my everything, you helped me cope, You helped me this this world into a Paradise...

Dunsparce: And even if we did all forget... I promise we couldn't forget someone like you...

Dunsparce: I will always be with you, my precious friend... Enjoy your life, we're friend until the very end...
