Explorers Questionnaire

(Continued….)

Here are several topics we thought might pique some interest:

- Is it OK that I sometimes doubt God?
- If people wrote the bible, how can it be God's word?
- How can I forgive when I don't feel like it?
- Does God really expect me to love everybody?
- What happens to people who haven't heard of Jesus?
- If God knows what will happen, how can we have free will?
- Other _____?

Please take a moment to consider these topics for discussion. Choose one or two of these or jot down one of your own that has caused you some consternation. We will use this feedback to guide our discussions.

Please forward your thoughts to *Pastor Sunil* - or - *Keith Camp*

We will begin our discussions again on **Monday, May 13, at 6:00 pm**.

Everyone is welcome and all points of view are considered valid.
