To the Students and Families of the CPCS Class of 2026!!!

We hope your summer is going well! As most of you know, we do several things to honor our seniors and give them some perks during their final year at CPCS. The goal of these privileges is to reward our students who are doing things right on their path through school and to give them some independence to help prepare them for life after high school.

We are excited to offer “Senior Parking Spaces” again this year! Students can "own" a piece of the school for a year. Students really enjoyed having their own personalized space. We encourage each of you to use your creativity!

Please see the details below if you are interested in customizing a parking spot. We will meet together as a class to discuss additional senior privileges once the school year starts. If you have any ideas, feel free to float them my way. Enjoy the rest of your summer!

Best,
Mrs. McKinley

Senior Parking Spaces

Seniors are invited to design and paint a parking space dedicated to them throughout their senior year. If you wish to have a RESERVED parking spot, you must:

- ☐ Complete paperwork for a valid driving pass (available in the main office).
- ☐ Submit a hand-drawn proposal for your parking space design to the principal.
- ☐ Design requirements:
 - Must be done in color.
 - Must represent exactly what will be painted on the parking space to be accepted.
 - Must fit within the space.
 - Any questionable design will be discussed and evaluated. We reserve the right to deny any design that is deemed inappropriate. Only approved designs may be painted and any variation from the approved design will result in the forfeit of the space.
 - The following are prohibited in the design of your space: offensive language, pictures, or symbols, negative or rude language, double-entendres (words or phrases with multiple meanings).
 - Only the reserving student's name may appear in the space (no boyfriend/girlfriend/friends/siblings/families/etc).
- ☐ Paint Requirements
 - Must use water-based latex exterior paint, correctly labeled.
 - Priming the space is recommended unless you are assigned a space that was recently sealed.
 - May NOT use spray paint, glitter, or textured paint.
 - Paint and supplies are to be purchased by the student.
- ☐ Painting Days
 - Please email or stop in to schedule a time with the principal to paint.
 - Parking spaces must be painted prior to the school year beginning.
- ☐ All parking spots will be assigned on a first come, first served basis.
- ☐ Students should bring the following supplies with them for painting:
 - Copy of approved design template
 - Approved paint
 - A broom to clean off the space
 - Painting supplies (rollers, tape, brushes, stencils, etc...)
 - Water bucket for dirty supplies
 - Paint tray(s)
 - Chalk to sketch design
 - Garbage bags to clean up and take your garbage with you
- ☐ All designs must be painted within the 4" border of the designated paint area of the parking spot. Students will NOT cover WHITE painted parking lines.
- ☐ Seniors will be required to paint over their spaces with driveway sealing no later than Thursday, June 25th, 2026. Failure to cover up your design will jeopardize your privilege to walk at graduation.

Designs and signed contracts can be brought to the school and turned into the main office any time. Or they can be photographed and emailed to Mrs. McKinley (jmckinley@cpcs.us).
