30 <b>WINTER BREAK - NO SCHOOL</b>	31 <b>WINTER BREAK - NO SCHOOL</b>		December 2019	

## **Volunteer Notes**

**For ALL volunteers:** You are amazing. Whatever your schedule allows, I completely and totally appreciate. Thank you for supporting our classroom!

**General Needs:** Whatever day you are scheduled for, come at whatever time works for you. Our volunteer table is in our hallway next to our classroom door. I always write out a list on a bright half sheet of the tasks to be completed.

**Library:** Mrs. Wong, our librarian, will teach you how to check out books and shelve books when you arrive at library.

**Music:** We typically have music in Portable 2. You can meet the class out there or meet in the classroom and walk with us over.

**Art:** You can come straight to our classroom. Usually you will be assisting in the passing out of supplies, and helping students on whatever task we're completing that day.

**Math and Reading Rotations:** You will be assisting in helping run rotations within the classroom or hallway. I will usually have the students doing a related game or activity.
