Present your research proposal in less than 1500 words (min. 300 words):

Please note that your proposal will be evaluated on criteria such as intellectual merit, broader impact, research plan, and writing. We encourage the use of sections and figures to enhance the clarity of your proposal. Please remember to provide references wherever necessary, as failure to do so may affect your scores. Captions to figures or tables and the reference list will not be counted towards the word limit.
