Dear Parents,

“How much bread do you have?” he asked. “Go and find out.” (Mark 6:38)

Jesus did not need the disciples' help to feed the five thousand. God created the entire universe out of nothing! Making a bunch of food would be a small problem. But Jesus is a great teacher. He invites us to help us in his work, so we can learn by doing, not just by watching or hearing. This week we're encouraging our students to look for ways to help Jesus by helping others, and then watching God multiply the good that we do.

Student Life Group meets IN PERSON again this week!

Please bring your student(s) to New Life Church **3:30-4:30pm** on Sunday afternoon for outdoor games and Bible study. Guests are welcome.

Masks mandatory! Water bottles optional. Individual snacks provided.

Prayer: *“Dear Jesus, thank you for taking care of our physical needs and our mental needs. Help us look for ways to help other people too. Amen.”*

In Christ,
