

My name is **Frank Guebara**, and I am excited to affirm my interest in running for the role of **Thunderboard Representative** for the Desert Vista Thunderband board. My connection to the Thunderband is both personal and meaningful, as my daughter, Elisa Guebara, has been a proud member of the DV Thunderband percussion ensemble since her freshman year and will be entering her junior season next year. Through her involvement, I've seen firsthand the dedication, teamwork, and excellence that define this program.

Over the past several seasons, I have volunteered consistently as part of the DV Roadies and have routinely offered my time and services wherever needed, often at the discretion of the Thunderband Executive Board. Whether supporting practices, gameday performances, competitions, or behind-the-scenes needs, I value being a reliable and flexible contributor who helps ensure the band's success and smooth operations. I truly enjoy being around the band and at every practice and performance.

In addition to my volunteer experience, I bring a strong professional background that I believe would support my success in this role. I am currently employed as National Director of Recruiting with the law firm Kutak Rock, a full-service law firm with over 600 attorneys across 21 offices nationwide. My work requires collaboration across teams, clear communication, organization, and thoughtful problem-solving—skills that translate well to board service and advocacy. I am eager to take the next step in service by representing the DV Thunderband community on the Thunderboard, and it would be an honor to continue giving back in a more formal leadership capacity while supporting the students, families, and leadership that make the Desert Vista Thunderband such a special program.
