

# BIS DEGREE PROGRAM - COLLEGE OF DESIGN

The minor programs below, housed in the College of Design, may be used as BIS non-CLA areas of concentration. **Students with concentrations in these areas may be required to take 1/2xxx-level preparatory courses. Students will need to declare the minor to have access to courses in these areas. Consult the links below to plan your BIS concentration. Contact [desminor@umn.edu](mailto:desminor@umn.edu) with questions.**
