FEATURED SERVICES BLURB 206

FEATURED SERVICES

Azul Medspa is the premiere provider of non-surgical body contouring & cosmetic injectables in El Paso, TX. Achieve your ideal body with CoolSculpting Elite & Emsculpt NEO. Gain an effortless, youthful look with Botox & Dermal Fillers.

HOMEPAGE SERVICES BLURBS 217

COOLSCULPTING

CoolSculpting is the world's leading non-surgical fat reduction treatment. Millions are freezing fat to reduce stubborn bulges in the abdomen, legs, arms & more. Best of all, results are long-lasting & natural-looking.

EMSCULPT NEO

Emsculpt NEO is the first & only FDA-cleared body sculpting treatment to build muscle AND reduce fat. This 30-minute painless treatment reduces belly fat, sculpts abs, strengthens arms & legs, and lifts the buttocks.

DERMAL FILLERS

Juvederm and Restylane are popular dermal fillers used to enhance lips and smooth wrinkles. These injections restore volume loss & fill in fine lines around the mouth, nose, and chin. Look younger & more rejuvenated.

BOTOX

Millions of men & women choose Botox, the most popular cosmetic treatment, to smooth fine lines & wrinkles around the eyes and brows. Safe, fast treatments deliver natural looking results that slow the signs of aging.

HOMEPAGE FACE SERVICES BLURBS 217

MICRONEEDLING

Secret RF Microneedling is an innovative treatment that effectively revitalizes and resurfaces the skin. Safe for all skin types, this treatment boosts collagen, improves texture & tightens the skin in just 20 minutes.

HOMEPAGE BODY CONTOURING SERVICE BLURBS 217

QWO

Renew your confidence in your backside with QWO cellulite shots. QWO is FDA-approved as safe & effective for reducing moderate to severe cellulite. Get dramatic, long-lasting results in a convenient 10 minute treatment.

HOMEPAGE INJECTABLES SERVICE BLURBS 203

PDO THREADS

Minimally-invasive, non-surgical treatment that lifts, tightens & shapes the face. PDO Threads improve the appearance of sagging skin, stimulate collagen production, and enhance skin elasticity & texture.

PLASMA SKIN TIGHTENING

The Plasma Pen stimulates collagen, boosts elastin production, and improves elasticity in order to smooth, renew, and plump the skin. Look younger with long-lasting results from Plasma Skin Tightening.

KYBELLA

A double chin treatment that effectively dissolves fat cells to reduce submental fullness and improve the appearance of your profile. Kybella is the only FDA-approved injection for double chin reduction.

Homepage Medical Weight Loss Service Blurbs 203

PROLON DIET

Rejuvenate from within. Discover metabolic balance & improved weight loss with the ProLon Fasting-Mimicking Diet. Get benefits of a fast while also enjoying delicious foods in this 5-day dietary program.

WEIGHT LOSS INJECTIONS

Vitamin B12 injections assist weight loss efforts by boosting energy & metabolism, improving neurological function, and maintaining good health. Azul Medspa also offers LipoLean and Ultra Burn injection.

Homepage Laser Services Blurbs 203

LASER HAIR REMOVAL

Save time and money by permanently reducing unwanted hair for silky-smooth skin. Laser hair removal is ideal for legs, chest, back, the bikini area, arms, facial hair and more. Safe for all skin types.

LASER TATTOO REMOVAL (not on new menu)

Free your skin of regrets with advanced laser tattoo removal from both Cutera's Enlighten Laser and the PICO Genesis Laser. Treatments are a safe, effective solution for tattoos of all sizes and colors.

LASER VEIN

Reduce unwanted spider veins & facial redness with innovative laser technology. The GentleYAG Laser is designed to gently deliver precise energy dosages to veins with minimal risk to the surrounding skin.

LASER TOE FUNGUS REMOVAL

Painless Class 4 lasers target infections that cause toenail fungus. No blood tests or medications are required. Laser treatments are best used in conjunction with a comprehensive toenail treatment plan.

LASER TREATMENT FOR ACNE

Face the mirror with more confidence by treating acne scars. Azul Medspa provides safe, effective & gentle laser treatments with Laser Genesis to help you get the smooth, glowing complexion you desire.

SKIN TAG REMOVAL

Skin tags are a common cosmetic concern. The Pellevé system offers a virtually painless solution to skin tags. Pellevé laser technology is proven as safe & effective and requires no anesthesia or downtime.

HOMEPAGE WELLNESS SERVICE BLURBS 203

EMSELLA

Renew your confidence and say no to incontinence. Emsella is an FDA-approved, revolutionary, non-invasive treatment to strengthen the pelvic floor. Regain control of your body with easy, 30 min treatments.

FEMALE INTIMACY SHOT

Non-surgical treatment for vaginal rejuvenation, increased sexual arousal, and smoother skin. Also known as the orgasm shot, this treatment is made of 'high quality' plasma from the patient's own body.

RED LIGHT THERAPY

Improve sun damage, acne, scarring, aging, and more with LIGHTWAVE therapy treatments. LIGHTWAVE has Red, Infrared, and Blue light therapy options for each patient's unique needs. Safe, simple, and easy.

Homepage Hair Restoration Services Blurbs 217

HAIR RESTORATION

Non-surgical plasma therapy for hair-loss. Virtually painless, 30 minute treatments work to restore thinning hair & increase thickness. No downtime required. Ideal, cost-effective alternative to hair transplant surgery.
