AVID (Advancement via Individual Determination) I, II, III, IV

Credits: 1-4 • **Grade(s):** 9, 10, 11, 12

Prerequisite - None

The AVID elective is designed to prepare 9th-12th grade students for college readiness and success in a global society. This course focuses on developing critical thinking, organizational skills, and academic strategies helping students excel in their high school courses and beyond. Students engage in activities that enhance their notetaking, time management, and study techniques, fostering a strong foundation for academic achievement. Through collaborative learning structures, students will build their analytical and problem-solving abilities. Additionally, the course encourages self-advocacy, goal setting, and resilience, empowering students to overcome academic and personal challenges.
