

FY24 Beverage Agreement and New Pricing – Effective July 1, 2023

ACU has an exclusive agreement and partnership with Coca-Cola. The contract allows for the sale or promotion of any product available only through Coca-Cola on our campus. In order to stay in compliance, all beverages must be purchased through Coca-Cola. We ask your help and cooperation in honoring both the stated intent and the spirit of the contract. Available on campus, there is a selection of drinks stocked in the Warehouse or you can place special orders through a Coca-Cola portal, myCoke.com. If you purchase beverages for your department, contact the Purchasing office to request new user access to the ACU account on myCoke.com.

We ask that you order the products listed below through the ACU warehouse only. All prices for products stocked in the warehouse have been compared to market value. To help offset the cost, we are discounting the price on some of the drink purchases through the warehouse only. Prices are subject to changes as market value fluctuates.

The following are a list of items that must be ordered through the Warehouse. Please send a completed Warehouse order form (available on myACU Quicklinks) and email to warehouse@groupmail.acu.edu.
