OWA REWIND 2019: EVERYONE CONTROLS REWIND

(A man is shown with his back to the camera as he leans against a railing; looking over a beautiful mountainside. After a few moments, a sudden ding alerts the man, prompting him to turn around and look at his phone - revealing himself to be Alfonso Ribeiro)

Alfonso: Aah - it's Rewind time!

(Alfonso takes a moment to think before he continues)

Alfonso: You know, if I controlled Rewind... I would want... Apex Legends... And CM Nas.

(Alfonso takes another moment as he feels something about to happen; slowly snapping his fingers)

Male Voice-Over: WELL THAT'S TOO BAD, BECAUSE IT'S PLAYTIME, EVERYONE!!!!

Audience: YAY!!!!

IT'S PLAYTIME?

(The camera instead cuts to the Dollhouse set that has been modified to look like an Award Ceremony - complete with a large pink stage, pink podium, pink microphone, and several pink awards that look like miniature dollhouses)

Male Voice-Over: PLEASE WELCOME YOUR HOSTS OF PLAY TIME WRESTLING! IT'S DIVA AND SWEET ROXY!!!!!!

("Celebration" by Kool & The Gang plays all throughout The Dollhouse Set as Sweet Roxy - wearing a black dress - and DiVa - wearing a pink dress - dance their way out to the stage while carrying their Women's Tag Team Championships and OWA Openweight Tag Team Championships as the Studio Audience - all wearing Dollhouse merchandise and doll masks - give them a standing ovation)

"CEEELLLLLLEBRATE GOOD TIMES, COME ON!"

(Roxy and DiVa dance their way over to the podium with their Championships as the Audience continues to loudly applaud)

"WE'RE GONNA HAVE A GOOD TIME TONIGHT! IT'S ALRIGHT!"

Roxy: Thank you! Thank you! You're too kind!

DiVa: You're all so sweet!

(The Audience continues to applaud until Roxy suddenly puts a hand in the air to motion for them to stop)

[SILENCE]

("Celebration" cuts out as the Audience immediately stops and silently sit back down as Roxy and DiVa smile)

Roxy: Jeez, I need to put these babies down...

(Roxy sits her ½ of the Openweight Tag Team Championships and ½ of the Women's Tag Team Championships on a table near the podium)

DiVa: What a great idea! We just have too much gold now! Humans weren't meant to carry all this!

(DiVa sits down her two Championships as well)

Roxy: Much better. It's such a relief to get rid of all of that weight without having to do it permanently, like The Wild Boys. Like Killer Alpha Squad. Like Heart & Seoul. Like Wolvesden. Teams that weren't known for picking these up, but more for putting them down. And yeah, yeah, I know whatever remnants of Wolvesden still hiding out are shaking their fists

and reminding us that once upon a time they were noteworthy, but let's be honest here - you were dismantled with the help of two losers that don't even get the claim to fame of having ever had these Championships in the first place, so really, how good could you really be?

DiVa: Always such a meanie, Roxy! But it's alright, DiVa knows you're just misunderstood when you try to get a point across like that! What my best friend here means is that while every other team in OWA has always done their absolute best - which DiVa and everyone else appreciates so much - it just wasn't enough to be more than a footnote on The Dollhouse's legacy! You're all very special in your own ways, but you're just being silly if you deny that The Dollhouse, by default, have already been more successful as Tag Team Champions than virtually every other team in the history of this little itty bitty company! The Dollhouse gets all the attention, and they haven't had to dress up like Nazis or any other edgy stuff to get all of that attention!

Roxy: You're absolutely right. This isn't about those other tag teams who've held these Championships. In fact, this isn't about ANYONE who hold any other Championships! IN FACT, this isn't about ANYONE else but The Dollhouse. Do the fans want an "OWA Rewind" of highlights of season 1?

Studio Audience: YES! YES! YES!

DiVa: OKIE! SHOW OUR DEAR FANS THE REAL OWA REWIND!

(A clip is shown of Final Destination in the Dollhouse Match as Jimmy Wild loses his grip and falls from the top of the domed roof and into the awaiting knees of Sweet Roxy and DiVa. The camera cuts to Roxy hanging from the top in front of Donny Dragon moments before Roxy kicks him in the face with both feet as he drops from the top and down to the canvas into a Destroy Her by DiVa, followed by Roxy climbing through the hole and winning the match. The camera cuts to The Dollhouse celebrating their victory on the stage as the previous boos have been edited out and replaced with fake cheers)

Roxy: WHAT A REWIND!

(The camera cuts back to Roxy and DiVa at the podium as they clap along with the Studio Audience)

DiVa: WHAT AN AMAZING SEASON IT WAS!

Roxy: I think that about covers all the highlights of this past year, right?

DiVa: Hmm... I can't think of any others! It was flawless!

Roxy: Absolutely, but you know what? Even after such a wonderful celebration and such a breathtaking video package to show us all of OWA's biggest moments of season 1, I still don't feel complete.

DiVa: Aww, DiVa is sorry to hear that. Is it because The Dollhouse was snubbed out of their Awards Show?

Roxy: That must be it. I think you're onto something, DiVa. But what can be done about that?

DiVa: Hmm... Oh! I know! Why don't we just do our OWN Awards Show?!

Roxy: No way! That's genius!

DiVa: We'll do one just like OWA did, but we'll do this one without biasedly chosen winners!

Roxy: Innovative! I like the way you think! Let's do it!

Male Voice-Over: IT'S TIME FOR THE 2019 DOLLHOUSE AWARDS!!!!

THE DOLLHOUSE AWARDS

(DiVa and Roxy are shown standing at the podium with a Dollhouse Award now nearby as the audience claps)

Roxy: Welcome once again to this very special edition of Play Time Wrestling as we move on to the Dollhouse Awards, and I already know what everyone is thinking. You think that this is gonna be some unfair, biased nonsense where it's ALL about The Dollhouse...

DiVa: It breaks DiVa's heart to be accused of such things...

Roxy: Don't worry, DiVa, it's only because people have been successfully brainwashed by the propaganda of OWA that has so many genuinely believing that we AREN'T doing all of this for a good cause. So many just refuse to believe that we have nothing but good intentions in mind,

but in reality, none of them notice that so far The Dollhouse has put women's wrestling AND tag team wrestling on the map together at the same time!

DiVa: Yay! That makes DiVa so happy, because she knows that the harder The Dollhouse works, the more of our adoring fans will accept us and let us be the heroes to them that we truly are!

Roxy: That's right, and I can't think of a better way to start that process than right here and now, starting with the first EVER Dollhouse Award, and WHO is gonna be nominated? Myself?

DiVa? BOTH of us? How about NEITHER!

[GASP]

(The Studio Audience gasps in horror as Roxy nods)

Roxy: That's right! We wanted to make sure to spread a positive, bias-free message with this first Award, so without further adieu, take it away with the nominees!

Male Voice-Over: THE NOMINEES FOR WORST TAG TEAM OF THE YEAR ARE...
WOLVESDEN!... HEART & SEOUL!... KILLER ALPHA SQUAD!... THE WILD BOYS!...
AND GROUND ZERO!

(The camera cuts back to an excited DiVa opening up the envelope to see who won)

DiVa: And the winner is... Oh my Gosh... OH MY!

Roxy: What is it, DiVa?

DiVa: DIVA CAN'T BELIEVE IT! IT'S A FIVE-WAY TIE! THEY'RE ALL EQUALLY THE WORST TEAMS THIS YEAR!

Roxy: WOW! INCREDIBLE!

(The Studio Audience applauds along with Roxy and DiVa)

DiVa: At least one of the teams would be here to accept the Award, but unfortunately most of them are defunct already and two of them are still hospitalized! Oh well! Let's move on!

Roxy: Why stop there? Let's keep this going! Let's keep spreading the wealth! This isn't all about The Dollhouse! This is a celebration of EVERYONE's efforts this past season! And you

know what? Nothing in OWA would be possible without the men to contribute as well. I mean, how else would it have become a possibility for someone like Tarah Nova and Aria Jaxon to succeed if there weren't men around to help them out? And if men didn't exist, how would they be able to look relevant at all if they don't have a division to compete in that makes them above competing with women?

DiVa: Exactly! Men are very important! Lots of DiVa's fans are men and they always do their best! Granted, DiVa would never get them to help her be a World Champion, but DiVa would appreciate the kind gesture if they ever asked!

Roxy: So why not celebrate the men, right? This is the Man of the Year Award!

Male Voice-Over: THE NOMINEES FOR MAN OF THE YEAR ARE.... ROBBIE V!.... DRAKE JAEGER!... LAYNE KUROBANE!.... LAYNE KUROBANE AGAIN!.... AND LAYNE KUROBANE!

(Roxy is shown ripping open the envelope to see who won)

Roxy: And the Winner for Man of the Year goes to... YES! LAYNE KUROBANE!

(The Studio Audience applauds along with Roxy and DiVa)

Male Voice-Over: And now here to accept the Award via phone... LAYNE KUROBANE!

(The sound of a phone dialing and ringing can be heard throughout the Dollhouse Set for 20 seconds before someone picks up)

Layne (via phone): ... Hello?

Roxy: LAYNE! CONGRATULATIONS, BABY! YOU DID IT!

Layne (via phone): Huh?

Roxy: MY MAN IS MAN OF THE YEAR! YOU WON! I'M SO PROUD OF YOU!

Layne (via phone): ... Jesus Christ, how do you keep getting every new number I switch to?

Roxy: WE'RE CELEBRATING TONIGHT! JUST TEXT ME THE ADDRESS OF THE HOTEL--

Roxy: THE WINNER FOR BEST THEME GOES TO THE DOLLHOUSE FOR “PLAYTIME” AND SPECIFICALLY NOT TO BULL CONNERS FOR “BULLS ON PARADE”!

DiVa: THE WINNER FOR BEST ENTRANCE GOES TO THE DOLLHOUSE FOR THEIR FINAL DESTINATION ENTRANCE!

Roxy: THE WINNER FOR WORST ENTRANCE GOES TO BASICALLY EVERYONE ELSE WHO HAD A CUSTOM ENTRANCE AT FINAL DESTINATION, ESPECIALLY THOSE IN THE LADDER MATCH!

DiVa: OH MY! Look, Roxy!

(Roxy and DiVa look on in amazement at the final envelope as DiVa holds it up)

Roxy: I know what that one is!

DiVa: That’s right... IT’S THE TEAM OF THE YEAR AWARD! This one deserves better than a quick announcement! This Award represents nothing but absolute excellence in tag team wrestling, and that’s something that The Dollhouse brings to you every week when everyone else refuses to, especially all of the others who compete in the tag team division!

Roxy: I couldn’t have said it better myself, DiVa. It’s truly astounding just how much people don’t care about tag team wrestling, and can you blame them? They’ve been subjected to a snoozefest for almost an entire YEAR before The Dollhouse came along! And what happened when we finally showed up to give the division the boost it needed? We were nowhere to be found while certain other teams were getting our spotlight.

DiVa: But that’s okay! Because it didn’t stop The Dollhouse! We’re not as fragile as certain other teams who last only a whole two weeks! We don’t give up when the going gets rough and instead try our luck as singles competitors, because unlike those certain other people, we see value in these Championships! We see value in tag team wrestling, and as the most innovative women in the history of this company, we have to set a standard of excellence!

Roxy: Absolutely, DiVa! But enough about us and all the things we’ve done to bring prestige to tag team wrestling and women’s wrestling at the same time. Let’s see who the winners for Team of the Year are!

(DiVa slowly opens up the envelope as Roxy and the Studio Audience look on in anticipation)

DiVa: And the Winners are....

(DiVa stops)

DiVa: Oh no...

Roxy: What is it, DiVa?

DiVa: The paper announcing the Winners... It's gone!

[GASP]

(The audience gasps in horror as Roxy and DiVa look distressed)

Roxy: But who would have done such a thing?

(A homeless-looking female steps up to the Dollhouse stage, flanked by several other gross-looking unknown men and women)

DiVa: Oh no! It can't be!

Homeless-looking Woman: That's right. It is I! Natalie Cage!

Roxy: What are YOU doing here? And who are these people with you?

(The fake Natalie Cage smirks)

Fake Natalie Cage: What am I doing here, you ask? I heard that you two think you're all that, and believe that YOU are the true trailblazers of women's wrestling! I was absolutely disgusted to learn that you overcame such amazingly huge odds and brought so much prestige and honor to those Tag Team Championships, and also made history by becoming double Champions at Final Destination with your Women's Tag Team Championships! I have busted my butt to prove that I am the only leader that women need! And I need them to believe that!

DiVa: DiVa thinks what you need is a shower...

Roxy: And seriously, who the Hell are these people? Didn't Wolvesden implode like months ago?

Fake Natalie Cage: You idiots! This isn't Wolvesden! I brought better back up than that! This is the Cage family! We have Naomi Cage! Nova Cage! Noah Cage! Nicholas Cage (not the actor)! Nash Cage! Noelle Cage! Nehemiah Cage! Nicholas Cage (the actor)! And the rest are also named Nate and Natalie because nobody could think of more names that start with N! So get a good look at greatness, because this is the family that's going to dethrone the Vendettas and the Corleones! And that starts tonight!

Roxy: Look, we've love to entertain you and your group of weird inbred British family members, but we really don't have time for this.

Fake Natalie Cage: Oh you better make time, Roxy! Because that's the only way you're gonna be getting your precious paper back and finding out who truly is the Team of the Year! And if you think you can truly beat me, you might even get THIS back!

(Fake Natalie snaps her fingers as one of her family members holds up a trash can for her to dig out the OWA Women's Championship, covered in garbage and stains)

DiVa: Ew! Ew! Ew!

Roxy: Yeah, I don't think I want that anymore, you can keep it...

(Another group walks up to the stage on the other side, led by a man in a suit with his face pixelated, while his handful of lackeys also have their faces pixelated)

Roxy: What? Who the Hell are you?

Unknown Man (electronically high-pitched voice): You know exactly who I am. I'm the true innovator of women's wrestling, and I take exception to you two believing you are the ones that put women on the map. I am the reason you are missing your precious paper to announce who the Team of the Year is.

DiVa: Sorry, did he just say women's wrestling? That's clearly a man? Was DiVa the only one who heard that?

Unknown Man (electronically high-pitched voice): Fool. I am clearly a woman. Allow me to show you who I am. My husband will show you all you need to know.

(The Unknown Man snaps his fingers as one of his lackeys step forward to show a pixelated World Championship)

[Censored]: Nonsense. I will not compete in a match if you're suggesting I put my Championship on the line. I only compete with men.

Fake Aria Jaxon: ARIA NO LIKE COMPETE WITH GIRLS EITHER! ARIA MAN! ARIA NO PUT WORLD TITLE ON THE LINE!

Roxy: We don't want your Championships anyway. We have our own, so we'll be the only proper fighting Champions. We'll take on ALL three of you and put BOTH of our Tag Team Championships on the line. And if we win, you have to cough up our Team of the Year Announcement!

Fake Natalie Cage: DEAL!

[Censored]: DEAL!

Fake Aria Jaxon: DEAL!

(A commercial plays for DiVa's latest album, featuring the hit single "Aria Ready To Retire?"')

MAIN EVENT?

(The camera cuts back to the Dollhouse Set that has been transformed into a wrestling ring with pink ropes and pink turnbuckle pads with Roxy and DiVa's faces on them)

Male Voice-Over: LADIES AND GENTLEMEN... IS IT NOW TIME FOR YOUR PLAY TIME WRESTLING MAIN EVENT OF THE EVENING!!!!!!

(Fake Aria, Fake Natalie, and [Censored] get ready in the ring as the Announcer continues)

Male Voice-Over: THE FOLLOWING TAG TEAM CONTEST IS SCHEDULED FOR ONE FALL!....

(The Studio Audience remains respectfully silent, restraining themselves from saying "One fall" like normal human beings should)

Male Voice-Over: AND IS FOR BOTH THE OWA OPENWEIGHT TAG TEAM CHAMPIONSHIPS AND THE WOMEN'S TAG TEAM CHAMPIONSHIPS!!!!

D-O-L-L-H-O-U-S-E

("Playtime" by contRoVersy plays all throughout the Dollhouse Set as Roxy and DiVa make their way out to the stage in matching pink attire, carrying both of their Tag Team Championships while Roxy also has a microphone in hand)

Drake: HELLO, EVERYONE! MAN OF THE YEAR NOMINEE, DRAKE JAEGER HERE! ALONGSIDE MY PARTNER, TIBERIUS JONES, WHO IS UNABLE TO LEGALLY DO COMMENTARY AT THE MOMENT, AND WE'RE READY TO KIND OF CALL THIS MATCH!

Roxy: Hold on, hold on!

("Playtime" fades out as Roxy and DiVa remain on the ramp)

Roxy: We crunched the numbers backstage, and we gathered that it's kind of unfair for us to have to take on THREE of you while there's only two of us. So why not even the odds? Why not make this a level playing ground? After all, this is The Dollhouse. We innovate, and how about we innovate by defending our Tag Team Championships tonight with a third person?

Drake: Oh no, they're absolutely screwed if they're bringing in Aphrodite to help out!

Roxy: So let me introduce to you the newest third member of The Dollhouse, and the Winner of the Dollhouse Newcomer of the Year Award! LADIES AND GENTLEMEN, JONETTA STONE!!!

("Heaven Can Wait" by LSD plays all throughout the Dollhouse Set as a young woman makes her way out to the stage - dressed in an elk headdress, a white fur shawl, and an ivory necklace over a pin up sailor outfit as she joins Roxy and DiVa)

Drake: That just blew my Goddamn mind! The Dollhouse has a new member, and she looks ready to go!

(The three members of The Dollhouse make their way to the ring as the hired Referee calls for the bell to start the match)

(DING! DING! DING!)

Drake: This double Tag Team Championship match is underway as it looks like it's gonna be Roxy starting things off with Natalie! Both women circle the ring... Natalie wasting no time showing off how edgy she is with those wild expressions while Roxy is doing everything she can to avoid touching her! Roxy looks absolutely disgusted!

Drake: HOLD ON! DIVA RUSHES FROM BEHIND WITH A BOOT TO THE BACK OF NATALIE'S LEG! NATALIE FALLS DOWN TO THE CANVAS! DIVA STOMPS AWAY AT NATALIE CAGE! AND NOW ROXY JOINS HER! BOTH WOMEN JUST STOMPING AWAY AT NATALIE CAGE WHILE ARIA AND [CENSORED] LOOK LOST IN THEIR OWN LITTLE WORLDS ON THE APRON!

(Jonetta Stone smiles as she looks on at Roxy and DiVa stomping into the Fake Natalie Cage; nodding as she removes her headdress and other items, being careful with each of them. After a few more moments, Jonetta calmly enters the ring and walks over to where Roxy and DiVa are stomping into Natalie)

Drake: AND JONETTA JOINS THE PARTY AS SHE STARTS FURIOUSLY STOMPING INTO NATALIE CAGE ALONG WITH ROXY AND DIVA!! ALL THREE MEMBERS OF THE DOLLHOUSE ARE JUST LAYING INTO HER!

Drake: ROXY AND DIVA RUSH TO THEIR OPPONENT'S CORNER AS THEY KNOCK [CENSORED] AND ARIA DOWN WITH BIG ELBOWS TO THE FACE! Jonetta now dragging Natalie back to her feet... SHE GRABS NATALIE!! CROSSFACE CHICKENWING!! JONETTA STONE IS DRAINING THE LIFE OUT OF NATALIE WITH THAT CROSSFACE CHICKENWING AS DIVA NOW STARTS CLIMBING TO THE NEAREST TOP TURNBUCKLE! JONETTA AND DIVA HAVE SOMETHING IN MIND HERE! JONETTA DROPS DOWN WITH A BODY SCISSORS WHILE KEEPING THAT CROSSFACE CHICKENWING LOCKED IN TIGHT! DIVA IS PERCHED!! SHE LEAPS!! A BEAUTIFUL DIVING ELBOW CONNECTS INTO THE HEART OF NATALIE CAGE WHILE NATALIE IS STILL LOCKED IN THAT CHICKENWING!!! WHAT A MOVE!

Drake: HOLD ON--[CENSORED] IS BACK IN THIS AS SHE RUSHES INTO THE RING! SHE MISSES A RIGHT HAND ON ROXY! JONETTA GETS BACK TO HER FEET AND NAILS [CENSORED] WITH A LOUD KNOCKOUT PUNCH!! [CENSORED] IS WOZZY! JONETTA PULLS HER IN! PICKING HER UP!! ROXY GETS ONTO THE APRON, CLUTCHING THE TOP ROPE! JONETTA GETS [CENSORED] IN POSITION FOR A

GORY NECKBREAKER!!! ROXY TO THE TOP ROPE!! DIVING CORKSCREW STUNNER COMBINED WITH THAT GORY NECKBREAKER FROM ROXY AND JONETTA!!!!
[CENSORED] IS OUT AFTER THAT!!

Drake: ARIA JAXON IS BACK IN THIS! SHE'S BACK IN AS SHE CHARGES AT ALL THREE MEMBERS OF THE DOLLHOUSE! ALL THREE DODGE OUT OF THE WAY! TRAMP STAMP!!! ROXY WITH A LOUD SUPERKICK!! DIVA CONNECTS WITH A BIG ENZUIGIRI!! ARIA IS FALTERING... HOLD ON!! JONETTA PICKS HER UP!! LOOK AT THE STRENGTH OF JONETTA STONE AS SHE LIFTS ARIA ONTO HER SHOULDERS... STACK OVERFLOW!!!! Drake: THEY DID IT! THEY DID IT! THE DOLLHOUSE SUCCESSFULLY RETAINS BOTH OF THEIR TAG TEAM CHAMPIONSHIPS AGAINST ALL ODDS! WHAT A MATCH! WHAT DID YOU THINK OF THAT, TJ?.... ME TOO! I LOVED IT! ESPECIALLY THE ARIA PART!

(After several moments, Roxy grabs a microphone and hands it to Jonetta Stone)

Jonetta: You know what? We don't need any piece of paper to know who the Team of the Year is after all! Because I know who it is! You know who it is! Everyone knows! THE WINNERS OF THE TEAM OF THE YEAR IS RIGHT HERE! YOU'RE LOOKING AT THE TEAM OF THE YEAR! AND NEXT YEAR! AND THE YEAR AFTER THAT!
