

CRANFORD HIGH SCHOOL DECA

You are going to experience the thrill of learning about business and the marketing field, traveling, and participating in community service projects that can change your life, while competing (and winning!) at local, state, and international levels. You can be a part one of the most exciting clubs at Cranford High School! **All students taking a Business course or that have taken a Business course can become involved in DECA!**

DECA prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe. With nearly a 70-year history, DECA has impacted the lives of more than ten million students, educators, school administrators, and business professionals. Their strong connection with our organization has resonated into a brand that people identify as a remarkable experience in the preparation of emerging leaders and entrepreneurs.

One of the most important aspects of DECA is to compete in an event of your choice. This can include Sports Marketing, Fashion Merchandising, Automotive Marketing, Hospitality and Tourism, Stock Market, Virtual Business Challenge, and more! You will compete against students from across New Jersey and even across the country!

DECA will prepare you for college, and prides itself on giving you real world experiences through field trips and competitions. It looks great on job and college applications too! If you have any questions, please don't hesitate to ask!

Andrew Macho
Gregg Braff
DECA Co-Advisors
Room A105
