

STUDENT A: Communicative Activities - There Is, There Are, Possessives

Task 1: Spot the Differences

Ask your partner questions to find the 10 differences between your photos. Use questions and answers with "There is" and "There are".

Picture A

Task 2: Guess the Place

Think of a public place but DO NOT say the name. Your partner will ask you Yes/No questions about the place to try to guess what place you are thinking of. After a few questions, you can give a small clue.

Task 3: How are you related?

Look at the list of family member vocabulary below. Make a complicated question for your partner following this example:

- Who is your **uncle's mother's husband**?
 - My uncle's mother's husband is my...grandfather!

Sister	Brother	Cousin	Aunt
Uncle	Mother	Father	Son
Daughter	Wife	Husband	Niece / Nephew
