

Igniting the Future through Arts Education

SPARK! CREATIVITY SPONSORSHIP PACKAGE

About Spark! Creativity

Spark! Creativity is a nonprofit organization dedicated to bridging the gap in arts education by making it accessible and available to youth for personal and professional growth. Since launching in 2024, we have served over 400 children, ages 4-12, in creative writing and visual arts. With ongoing cuts to arts education across Washington state, particularly in the Edmonds School District, our programs offer crucial opportunities for creative expression, critical thinking, and problem-solving.

Our Impact & Programs

We provide these key programs:

- **Teaching Artists in Schools:** Partnering with educators to integrate the arts into classroom learning, enriching core subjects through creative engagement.
- **Youth Arts Camp & Pop-Up Workshops:** Offering immersive artistic exploration outside of school, fostering confidence and skill-building.
- **In-School Residencies & After-School Programs:** Expanding art integration with multi-week residencies and after-school opportunities.
- **Youth Arts Council:** Empowering students to take leadership roles in shaping and curating arts programming.
- **Mentorship & Peer Exchange:** Providing professional development and mentorship for teaching artists and site managers.
- **Leadership Development:** Training site managers and artists through workshops and stipends to grow into leadership roles.

The Need & Our Response

Budget cuts threaten access to the arts, disproportionately affecting underserved youth. Our mission is to ensure every child, regardless of socioeconomic background, has access to high-quality arts education. By sponsoring Spark! Creativity, you help sustain and expand our initiatives, impacting hundreds of young minds.

Sponsorship Opportunities

We invite businesses, community leaders, and individuals to support our mission through sponsorships for our Annual Fundraiser. Your sponsorship will provide essential funding for materials, teaching artists, scholarships, and operational costs.
