7. Athlete of the Month
 - a. **Female**-Lauren Mahoney: 12th Grade:: Varsity Track & Field--Lauren has been a varsity athlete for us over the past three years and this year she is a team captain. She is constantly leading by example and helping the younger athletes on our team. Her top event is the discus and while being a varsity athlete, the discus is one the deepest events on our team so she needed to compete in the JV Conference Meet this past week. She took this assignment in stride, went and threw the best throw of her life, placing 2nd overall in the meet. Her marks make a difference for our team but her caring of the other girls is even more valuable.
 - b. **Male**-Jacob Byanski: 12th Grade:: Varsity Golf--Jacob has been playing as the #1 golfer on the golf team this year. He is leading the OK Red conference in scoring with a 38.83. He has the low round in 3 out of 4 of our jamborees and placed in top 10 at the OK Red Midseason tournament. Jacob is not only playing really well on the golf course, but he has taken on the leadership role for the Boys golf team.
