

## Animal Rescue, Shelter and Welfare Organizations Directory

### NOTES:

1. *This list does not include every organization in the Philippines. We still recommend conducting your own research. This list aspires to give everyone a headstart on where and what to look for. Joining animal welfare Facebook groups also helps.*
2. *The organizations listed below **might** be able to rescue and shelter rescued animals. It's best to reach out to them first for ways to accommodate your concern.*
3. *If you wish to **adopt** and give furbabies a second chance you can also reach out to these organizations.*
