salary supplements for Bilingual
Certification

A teaching credential is a
pathway to many careers in
education, including teacher
leader, principal, or professor of
education

There is a growing teacher
shortage and many districts have
an **increased need** for new
teachers

The **average starting salary** for
teachers in San Diego is \$50,000.

UC San Diego graduates can
earn up to \$10,000 more with the
M.Ed., and most districts offer

All of our recent graduates
obtained **teaching jobs in CA
and around the world** soon
after graduation
