

Welcome to the Joshua High School DAEP (Disciplinary Alternative Education Program) page! 🙌

I'm the Lead Teacher here, and I'm looking forward to another successful year. This marks my 5th year with Joshua ISD and my 15th year in education overall.

My goal is simple yet critical: to create a safe, structured, and goal-oriented learning environment where *all* students have the opportunity and support to be successful. We believe in getting our students back on track and prepared for their next steps.

I'm married to Coach DeArman, and we have three wonderful children. We are proud to be part of the Joshua community!

Our Mission

Our program is committed to providing the structure and resources necessary for students to achieve their academic and behavioral goals. We focus on accountability, responsibility, and growth every day.
