**Privacy Policy for Og Tag 2**

**Effective Date:** Oct 10th, 2026

**Og Tag 2**
(" **Og Tag 2**") is committed to protecting your privacy. This Privacy Policy describes what data we collect, how we use it, and your rights related to that data. This policy is intended to comply with Meta's Virtual Reality Checks (VRC), including VRC.Quest.Privacy.2.

---

## 1. Information We Collect

When you use **Og Tag 2**on Meta Quest, the following types of data may be collected and processed:

**a. User Age Group**

- We access the age group information provided by the platform to tailor experiences appropriately and comply with age-based privacy requirements.
- This data is used only for internal game logic and is not stored or shared outside the game.

**b. User ID**

- We access your **Meta user ID** to uniquely identify your profile for saved game data, matchmaking, and cloud syncing.
- This ID is not shared with third parties and is only used within the game environment.

**c. User Profile**

- The game may access your display name and avatar to personalize your experience and facilitate multiplayer interactions.
- This data is used only for in-game display and is not stored or transmitted outside of your device or Meta's systems.

**d. In-App Purchases**

- We process data related to your in-app purchases, such as purchased content and currency, to ensure you have access to items you've bought.
- All purchase data is handled via the Meta Quest platform and complies with their transaction policies.

---

## 2. How We Use Your Data

We use your data to:

- Deliver personalized and age-appropriate experiences.
- Enable multiplayer features and content syncing.
- Restore purchases and unlock digital content.
- Improve game functionality and stability.

We **do not sell**, share, or use your data for advertising purposes.

---

## 3. Data Sharing and Storage

- All data access is limited to what is necessary for core game functionality.
- We do **not transmit personal data to third-party servers** unless explicitly stated.
- Data stored locally or via Meta's platform services is handled in accordance with Meta's privacy and security practices.

---

## 4. Your Rights and Choices

- You may request deletion of your data by contacting us at:**drexinbank@gmail.com**
- Any platform-specific data (like your Meta user profile) is managed through your Meta account settings.

---

## 5. Changes to This Policy

We may update this Privacy Policy as needed to reflect changes to the game or regulatory requirements. Updates will be posted here with a revised effective date.
