Engineering Journal

Engineer __

Drawing or picture of design: (Click on yellow highlighted area below. Then, either Insert an Image of your work or from top menu click Insert - Drawing - + New . From new window for Drawing, click on the down arrow next to line and then select option to make your drawing. Click Save and Close when you are done.)

NOTE: For pre-writers/typers, click on yellow highlight area, click on **Tools** from top menu, then select **Voice typing**, allow access to microphone if prompted, and then speak to finish the statement.

I built ___

I explored ___

I discovered ___
