Lyrics

Verse 1
There's a pony who's got a smile
A smile so big you can see it worldwide
If you don't know who I'm talking about, it's Pinkie Pie
When you see me on the street
Your heart gets struck by a sweet, little beat
Still don't know who I'm talking about? I'm Pinkie Pie

Pre-chorus 1
Some might say I'm crazy (sure!)
But I'm just gonna do it my way;
Bouncing up and down like a ball
If you ever feel sad
Then I'll sure make you glad
Until I fill you up with song

Chorus 1
Here I am, making you happy
I love to see you smile and it makes me feel alive
Now I'm here, throwing a party
For you and for me... and for all of Ponyville

Verse 2
There's this pony in our town
Spreading joy all around
I think you should know by now it's Pinkie Pie
When I saw her on the street
My heart got struck by a sweet, little beat
It is without a doubt our Pinkie Pie

Pre-chorus 2
Some might say she's crazy (oh well!)
She's gonna do it her way
Jumping up and down like a ball
If you ever feel sad
Then she'll sure make you glad
Until you're all filled up with song

Chorus 2
Here we are, making you happy
We love to see you smile and it makes us feel alive
Now I'm here, throwing a party
For you and for me... and for all of Ponyville

Bridge
Some days your hair will reach the ground
And there is no way to be found
I will reach out my hoof for you

And then we'll laugh together
And prank on Dashie's feathers
We'll make it all ok, so smile, smile, smile

Chorus 3 (same as 2)

Chorus 3 (outro)
Now come sing along to the sweet tunes of friendship
There is nothing wrong with bursting into song
Now you know about a certain pony
Who loves to make you smile and her name is Pinkie Pie
