

## QUICK VOCAB

### Purpose

In this quick activity, you'll review some of the vocabulary you've learned and preview a couple of new terms. Reinforcing vocabulary will help you understand the content covered in this lesson.

### Process

1. Review the vocab terms in ★ the left-hand column. Circle the terms you're already familiar with and put a star next to those you're unfamiliar with.
2. Next, match each term on the left with its definition on the right by drawing a line.

Vocab Term
commodity
finance
capitalism
indigenous
invest
syncretism

Definition
To spend with the intention of gaining some benefit.
Something or someone that exists naturally in a particular location.
The blending of different belief systems to create something new.
A raw material that can be bought and sold.
An economic system in which the means of production and distribution are privately owned, and prices are chiefly determined by open competition in a free market.
The management of money or other assets.

## QUICK VOCAB

3. Pick two vocab terms from the list above and write one sentence for each of them about the expansion of empires and new transoceanic connections during the first global age.
